## INTRODUCTION

Welcome to *The Little Tree Preschool*! We are pleased to have your child join our school and look forward to making this a positive and meaningful learning experience for them.

This handbook should answer most of your questions about the school's policies. We will be happy to assist you in whatever way we can to help make your child's experience enjoyable.

### Purpose

Our purpose is to provide an environment for your child that is safe, secure, and developmentally appropriate. Our program focuses on the whole child, which encompasses and develops all areas of a child's development: cognitive, social/emotional, creative, and physical.

### Philosophy

The **quality** of a program is based upon the teacher's knowledge of the way children learn and develop. Therefore, we take into consideration the child's needs, strengths, weaknesses, and interests. Next, we implement a program specially catered to the individual child.

To achieve maximum **learning** children need to feel secure in their environment. They will be given developmentally appropriate learning experiences, which are meaningful to their lives. Young children learn best when it's all about them (ME, ME, ME!!).

*The Little Tree Preschool* uses multiple theories to provide the most positive and effective teaching styles. Teachers promote learning by applying a variety of child development theories. For example, teachers apply behaviorist (Bandura), psychoanalytic (Erikson), humanistic (Maslow), constructivist (Piaget), contextual (Bronfenbrenner), and other theorists to cater to the child's personality, learning style, interests, and needs.

- We provide safety and security to ensure the process of learning is FUN!
- We provide children with developmentally appropriate activities to ensure development of a positive self-concept.
- We value the family unit by helping each member understand the developing child.
- We respect the cultural background of each child by planning cultural experiences.
- We gently guide children towards self-discipline, encourage exploration, and problem solving skills.

### Staff

All teachers are certified in CPR. Each staff member also has experience and formal early childhood training. Furthermore, we proudly enrich our knowledge of children through training in child development, and by being active members in children's professional organizations.

### Expectations of Parents

In order to ensure that your child is given every opportunity to have a great day, we ask that your child:

I have read this page and understand *The Little Tree Preschool's* terms x \_\_\_\_\_

- Has a nutritious meal for snacks and lunchtime.
- Is well rested.
- Is not ill and is feeling well.
- Has a complete change of clothing (including shoes).
- Has a clean, fitted sheet for their cot (blanket & cuddle toy optional).
- Has seen a parent leave the premises and has had the opportunity to say goodbye.
- Limit items in the cubby.

In addition, please communicate a positive attitude toward school and education.

### **Admission Policy**

*The Little Tree Preschool* is open to the community. In most instances children are selected on a first come, first serve basis. Waiting lists are maintained and preference is given to siblings of families already enrolled at *The Little Tree Preschool*.

Children qualify based on age: 2 years to 5.9 years. Furthermore, a Director may conduct a personal interview with the child’s authorized representative to understand the state of the child’s health, physical and emotional development, and to assess whether we can meet the child’s needs. Meetings with Director and staff may take place as well as an observation of the child in *The Little Tree Preschool* setting in order to ensure a good fit for the family and school.

### **Hours and Days of Operation**

We are open Monday through Friday from 7AM to 6PM. We are closed for the following holidays: Labor Day, Veteran’s Day, Thanksgiving Day and the following Friday, Christmas Day, New Year’s Day, Memorial Day, and Independence Day. If the holiday falls on a Saturday we are closed that Friday and if the holiday falls on a Sunday we are closed on the following Monday. Regular tuition rates are applied on these holidays.

### **Parent Education**

We offer guest speakers, parent/teacher conferences, parent/child participation, observations, and the like in various aspects of child development. We encourage all families to participate.

### **Parent Booster Club**

The Booster Club is a volunteer group run by parents. Parents of children who attend *The Little Tree Preschool* are urged to be active in their child’s school experiences. Participation may include planning events assisting with various activities.

Please speak with the Director if you are interested in organizing the following activities:

- Parents Night Out
- Breakfast/Lunch parties
- Festivals
- In-home visits
- In-class parent participation
- Parent workshops

I have read this page and understand *The Little Tree Preschool*’s terms x \_\_\_\_\_

- Or you could form your own activity!

## CLASSROOM POLICIES

### Clothing and Shoes

Your child will need to wear comfortable, washable clothes that enable them to enjoy a variety of messy and physical activities. Just in case, your child will need an extra change of clothes and shoes in their cubby.

Please dress your child in clothing that encourages self-help skills. For example:

2 yr. old – Pants that are easy to take off and put on for potty training.

3 yr. old – Buttons they can unbutton.

4 yr. old – Shoes with laces.

And, please dress your child in rubber-soled, closed-toe shoes. Unsafe shoes such as open-toed shoes, flip-flops, open sandals, and shoes with high heels may cause your child to be easily injured. A child may not be at school with unsafe shoes. If there are no replacements in your child's cubby then a pair will need to be brought to school in order to ensure that your child's feet are safe.

Please label jackets, pants, shirts, sweaters, hats, sheets, blankets, toys, lunchboxes, food containers, towels, and bathing suits and periodically check the lost and found box for missing items.

### Discipline

Children need to be listened to during the best and worst of times. *The Little Tree* provides a clear sense of limits and boundaries through our teaching methods and physical layout while listening to the children's voice. Children are taught to understand the consequences of their actions and share control in terms of guiding their behavior. *Teachers will positively redirect children's behavior, and encourage decision-making*. Controlling one's actions is an internal process that children will learn in their quest to resolve conflicts and to develop a sense of self.

If a child commits an aggressive act toward another child/teacher in school a behavior report is given to parents for their review and signature. The purpose of these reports is: 1. Inform parents about what is happening at school. 2. To discuss a plan of action for both home and school that will allow the child to successfully learn to practice appropriate behavior. It is important to mirror practices at home with those at school so the child is provided with a consistent environment, which will lessen the chances of confusion and increases the child's sense of security. Teachers welcome all discussions of these matters and are happy to offer and receive guidance.

If excessively disruptive or harmful behavior emerges, a parent/guardian will be contacted to pick-up the child for the rest of the day (within 1 hour). If aggressive behaviors do not cease over a short period of time we reserve the right to immediately withdraw your child.

We do not practice time-outs. Why? A time-out is removing a child from the environment and we are unable to remove the child from the classroom. NO CORPORAL PUNISHMENT/VIOLATION OF PERSONAL RIGHTS (CCR, Title 22, Section 101223.2) is permitted and will be grounds for immediate staff dismissal. The child's authorized representative can contact a Director through conferences to further discuss this issue. Parent conferences are always available to discuss disciplinary issues.

## **Birthdays**

We want to help celebrate your child's birthday in any way we can, but we do need you to discuss your plans with a Director. Small treats are permitted, and we discourage balloons.

## **Personal Items**

Children may bring toys that are able to fit into their cubbies on Show and Tell days (We discourage weapons or valuables).

All other toys must be kept at home to limit distraction in our learning environment, although we will make exceptions under special circumstances. Please discuss this matter with a Director for further information.

## **Prayer**

We respect all religions and family values, and because of this, we do not teach religious doctrine at our school.

## **Field Trips**

On occasion, we may take field trips with the parent's permission. You will be given proper notification and be required to sign a permission slip.

## **Supplementary Services**

We provide complimentary services such as music and movement with Teacher Chuck of Fundamentals. Ballet, soccer, and yoga are provided for a small fee.

## HEALTH

### Food and Beverages

We will provide organic/natural snacks in the morning at the following times: 8:15 AM, 10 AM, 2:30/3 PM, and 4:30/5 PM for a fee of 70 cents per snack, and milk with lunch for 50 cents per day.

All food and beverages brought from home must be dated in a container that is initialed, and the serving time noted. Organic/natural foods are encouraged, and please leave home food with sugar added, are processed, or fried. The latter foods listed are welcomed for parties. Last, we do not have refrigerator space at school, and so we recommend storing an ice pack or warm food in a thermos.

We encourage all containers to be reusable. Please help limit waste by minimizing the use of plastic bags.

### Rest Periods

Children will nap according to their needs, although a two-hour rest period is established for preschoolers after lunchtime. Please make sure your child receives a good nights rest.

A rest cot is provided. Parents will need to bring a fitted sheet and blanket (cotton sheets are recommended). Additional bedding or sleep toys are acceptable. Bedding must be washed weekly.

### Medications

Prescribed medications must be dated and labeled to be administered. Over-the-counter medications will be administered in accordance with the labeled instructions unless authorized by a licensed physician. A WELLNESS CHECK is conducted at the time a child arrives and if it is determined by staff that a child is not well enough to participate in that day's program, the parent will be asked to take the child home and the child will not be accepted on that day.

All children are expected to arrive by 8:30 AM. Children arriving after 8:30 AM will not be accepted unless they have a doctor's note or family emergency.
